

9to5 Description

Create a consignee

1) Login to 9to5 admin.

Route : <https://9to5-qa.sprocket.solutions/>

2) Click on “Consignee” tab from side bar.

Route : <https://9to5-qa.sprocket.solutions/admin/customers/list>

3) Click on “Add Consignee” button which is on the right top side of the screen.

4) Fill the details for the new consignee and make sure you will add minimum 8 characters password to create it and then click on create button.

Route : <https://9to5-qa.sprocket.solutions/admin/customers/create>

5) After creating a consignee you will return back to “Consignee” tab. Now clear the date filter to see all consignees. You can check your created consignee is listed in the table.

Route : <https://9to5-qa.sprocket.solutions/admin/customers/list>

Create an AWB

1)Click on “Warehouse FLL” tab and click on “Create AirWay Bill” from the options from the side bar.You will get navigated to “Create New AWB” screen.

Route : <https://9to5-qa.sprocket.solutions/warehouse/fll/awb/create>

The screenshot shows a web browser window with the URL <https://9to5-qa.sprocket.solutions/warehouse/fll/awb/create>. The page has a blue header with the '9-5 IMPORT' logo and a search bar. A left sidebar contains a 'WAREHOUSE' menu with 'Warehouse FLL' selected, and a sub-menu with 'Create AirWay Bill' highlighted. The main content area is titled 'Create New AWB' and '9-5 Imports'. A modal form titled 'Create New AirWay Bill' is displayed, containing a 'Bill Content' section with dropdowns for 'Consignee', 'Shipper', 'Carrier', 'HAZMAT', and 'SED'. To the right of these are fields for 'Invoice #' and 'Value', and a file upload section with a 'Choose file...' button and a 'Browse' button. An 'Add Invoice' button is at the bottom right of the form.

2)Fill the form to create a new air way bill and select the consignee which you have made above.

3)Then scroll down and click on “Add Package” button.
